TB0058 - TCK6C

## Essential Fitting Information

Designed as a parts solution for engines that require full timing system replacement or that have suffered catastrophic timing failures.

TCK6C comes with all gaskets, seals and components required to replace the timing chain system.

The kit now contains the latest generation EURO 6 Stop/Start timing chain which is made from modified materials and has pierced rollers, improving oil flow to the internal pins & rollers.

Make	Model	Engine Type	Date
Alfa Romeo	Mito	1.3 Multijet	09/09 > 12/18
